## STOP SCHOLARSHIP PROGRAM

### Strive To Optimize Participation

Working with schools, churches and other organizations on the Westside, we want to target disadvantaged and disabled youth who need a financial scholarship in order to participate. The STOP program enables youth who normally cannot participate in programs a chance. A chance to be part of an outstanding organization. With the financial assistance from local companies such as Chevron and Synagro, STOP is helping children become productive members of society and the leaders of tomorrow no matter what their circumstances.

#### Applicant Process:

A completed Youth Scholarship Application must be turned in to the West Side Recreation & Park District office prior to the program's registration deadline.

Full scholarships are not always guaranteed.

Programs require that participants pay a minimal portion of fees. Scholarships may not be available after registration deadlines.

A minimal fee of \$5 (per participant, per sport) will be required for all sports registrations utilizing the STOP Scholarship Program.
